

# 1<sup>st</sup> Annual Strike Out Childhood Cancer Night

Presented by:

-bringing the healing power of music to children battling cancer.

## AUGUST 8, 2009 7:05 PM

Durham Bulls Athletic Park Durham, NC

Join the Durham Bulls and Rock Against Cancer for the 1<sup>st</sup> Annual Strike Out Childhood Cancer Night at DBAP in Durham. The Bulls players and coaches will wear special jerseys, which will be auctioned off along with other items to benefit kids battling cancer. Community organizations serving children with cancer will participate and be giving away free awareness materials. A fireworks show will immediately follow the game and include the Field of Memories, a lighting of luminaria in the infield to remember and honor children afflicted with cancer. Afterwards, a post game concert with The High & Mighties will commence with all proceeds benefiting Rock Against Cancer. Join us for a great night of baseball, music and fun to benefit a great cause!

Rock Against Cancer is a local non-profit organization, which helps children fighting cancer through Music Therapy and innovative music programs. A portion from each game ticket purchased as well as all Silent Auction proceeds and any donations will go directly towards Rock Against Cancer and children battling cancer. Childhood cancer is the #1 disease killer of our children today. Please help us in the fight against Childhood Cancer!

Purchase tickets at [www.durhambulls.com](http://www.durhambulls.com) or call (919) 956-BULL
